Only one route will be chosen and built. Shown segments/routes could change based on landowner input, engineering, ground surveys and studies.

1 inch = 200 feet

When printed at 22x34

A horizontal number line is shown with tick marks at 0, 200, 400, and 600. The word "Feet" is written below the line. The line is divided into segments: a black segment from 0 to 50, a white segment from 50 to 100, a black segment from 100 to 150, a white segment from 150 to 200, a black segment from 200 to 300, a white segment from 300 to 400, a black segment from 400 to 500, and a white segment from 500 to 600.
